Alteration description

4. A description of the proposed alteration and in the case of special school proposals, a description of the current special needs provision.

The school currently has around 550 students on campus. A relatively modest building project will provide a 2 classroom extension with some internal remodelling bringing up the capacity up to 900 in total.

In the longer term, the local authority is planning to provide between 9 and 10 additional forms of entry in Woking by 2021 – a total of 1,350-1,500 additional secondary places, where one form of entry equals 150 secondary places based on 5 years groups (Years 7-11) of 30 pupils.
