

PROPOSED Admission arrangements for Surrey County Council's community and voluntary controlled schools 2020/21

This document sets out Surrey County Council's admission arrangements for community and voluntary controlled schools in 2020/21.

1. The Published Admission Numbers for initial entry to Surrey's community and voluntary controlled schools in September 2020 are set out in APPENDIX 1.
2. Applications for admission at the normal intake will be managed in accordance with Surrey's coordinated schemes on primary and secondary admission. Please see Surrey's coordinated schemes for further details regarding applications, processing, offers, late applications, post-offer and waiting lists.
3. Applications for Reception and applications for a Year 3 place at schools which have a published admission number for Year 3, must be made by 15 January 2020. Places at Surrey schools will be offered on the basis of the preferences that are shown on the application form. Applicants will be asked to rank up to four Reception or Year 3 preferences and these will be considered under an equal preference system.
4. Applications for a secondary school place must be made by 31 October 2019. Places at Surrey secondary schools will be offered on the basis of the preferences that are shown on the application form. Applicants will be asked to rank up to six preferences and these will be considered under an equal preference system.
5. The admission arrangements for 2020/21 for the majority of Surrey's community and voluntary controlled schools are set out in section 7 below. Where there are local variations these are set out by area and by school in section 8.
6. Children with an education, health and care plan (EHCP) that names a school will be allocated a place before other children are considered. In this way, the number of places available will be reduced by the number of children with an EHCP that has named the school.
7. Other than for schools listed in section 8, when a community or voluntary controlled school is over-subscribed for any year group, applications for entry in 2020/21 will be ranked in the following order:
 - i) First priority: Looked after and previously looked after children
See section 9 for information relating to looked after and previously looked after children.
 - ii) Second priority: Exceptional social/medical need
See section 10 for information relating to exceptional social/medical need.
 - iii) Third priority: Children who will have a sibling at the school or at an infant/ junior school which will operate shared sibling priority for admission at the time of the child's admission
See APPENDIX 2 for infant/junior schools that will operate shared sibling priority for admission for the purpose of this criterion. See section 11 for information relating to siblings.

- iv) Fourth priority: Children for whom the school is their nearest school
See section 12 for information on the definition of nearest school. See section 13 for information on the definition of home address. See section 14 for information on tie breakers.
- v) Fifth priority: Any other children
Remaining places will be offered on the basis of nearness to the school measured in a straight line from the address point of the child's home address, as set by Ordnance Survey to the nearest official school gate for pupils to use. See section 13 for information on the definition of home address. See section 14 for information on tie breakers.

9. Looked after and previously looked after children

Within the admission arrangements for all community and voluntary controlled schools looked after and previously looked after children will receive the top priority for a place. Looked after and previously looked after children will be considered to be:

- children who are registered as being in the care of a local authority or provided with accommodation by a local authority in accordance with Section 22 of the Children Act 1989(a), e.g. fostered or living in a children's home, at the time an application for a school is made; and
- children who have previously been in the care of a local authority or provided with accommodation by a local authority in accordance with Section 22 of the Children Act 1989(a) and who have left that care through adoption, a child arrangements order (in accordance with Section 8 of the Children Act 1989 and as amended by the Children and Families Act 2014) or special guardianship order (in accordance with Section 14A of the Children Act 1989).

Places will be allocated under this criterion when places are first offered at a school and the local authority may also ask schools to admit over their published admission number at other times under this criterion.

10. Exceptional social/medical need

Occasionally there will be a very small number of children for whom exceptional social or medical circumstances apply which will warrant a placement at a particular school. The exceptional social or medical circumstances might relate to either the child or the parent/carer. Supporting evidence from a professional is required such as a doctor and/or consultant for medical cases or a social worker, health visitor, housing officer, the police or probation officer for other social circumstances. This evidence must confirm the circumstances of the case and must set out why the child should attend a particular school and why no other school could meet the child's needs.

Children who were previously in state care outside of England, and have ceased to be in state care as a result of being adopted, may be considered under this criterion. A child will be regarded as having been in state care outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society. The parent/carer will need to provide evidence to demonstrate that the child was in state care abroad and left that care as a result of being adopted.

Providing evidence does not guarantee that a child will be given priority at a particular school and in each case a decision will be made based on the merits of the case and whether the evidence demonstrates that a placement should be made at one particular school above any other.

Common medical conditions and allergies can usually be supported in all mainstream schools, therefore priority under a school's exceptional medical criterion would not normally be given for these. Some mainstream schools have units attached which provide specialist provision for children with an education, health and care plan which names the school. The facilities in these units are not normally available to children in the mainstream school and as such priority under a school's

exceptional social or medical criterion would not normally be agreed for a mainstream place on the basis of a specialist unit being attached to the school.

In addition, routine child minding arrangements would not normally be considered to be an exceptional social reason for placement at a particular school.

We reserve the right to refer medical evidence to our designated medical officer, where necessary, to assist us in making a decision about medical priority for a school place.

Places may be allocated under this criterion when places are first offered at a school and the local authority may also ask schools to admit over their published admission number at other times under this criterion.

11. Siblings for community and voluntary controlled schools

A sibling will be considered to be a brother or sister (that is, another child of the same parents, whether living at the same address or not), a half-brother or half-sister or a step-brother or step-sister or an adoptive or foster sibling, ordinarily living as part of the same family unit at the same address.

A child will be given sibling priority if they have a sibling on roll at the school concerned and that sibling is still expected to be on roll at that school at the time of the child's admission.

For the initial intake to an infant/junior school, a child will also be given sibling priority for admission if their sibling is attending an infant/junior school which operates shared sibling priority with the school and that sibling is still expected to be on roll at either school at the time of the child's admission. See APPENDIX 2 for community and voluntary controlled schools that will operate shared sibling priority for admission in 2020 for the purpose of the sibling criterion. This will apply both at the initial allocation of places and also when prioritising the waiting list. Giving sibling priority has the effect of maximising the opportunity for children in the same family to be educated at the same school or at a school which operates shared sibling priority.

At the initial allocation, when an applicant is applying for a Reception place at an infant school that has both a feeder and sibling link to a junior school and the child has a sibling currently attending Year 2 of the infant school but who will have left by the time the younger child starts, the younger child will be considered under the sibling criterion as part of the initial allocation. This is because, due to the feeder link, they will be expected to still have a sibling at the linked junior school at the time of admission. The schools for which this will apply are as follows:

- Bagshot Infant and Connaught Junior (Academy)
- Earlswood Infant and Earlswood Junior
- The Grange Community Infant and New Haw Community Junior (Academy)
- Knaphill Lower and Knaphill Junior
- The Mead Infant and Auriol Junior (Academy)
- Meadowcroft Infant and St Ann's Heath Junior
- Meath Green Infant and Meath Green Junior
- Marrow CofE Infant and Bushy Hill Junior (Foundation)*
- Ottershaw Infant and Ottershaw Junior
- Shottermill Infant and Shottermill Junior
- Trumps Green Infant and St Ann's Heath Junior
- Walsh Memorial CofE Infant and Walsh CofE Junior

Warren Mead Infant and Warren Mead Junior (Academy)
West Byfleet Infant and West Byfleet Junior

* Shared sibling priority only applies to Merrow CofE Infant School

At the initial allocation, when an applicant is applying for both a Reception place and a Year 3 place at a primary school which has an intake at Reception and Year 3, or at separate infant/junior schools which operate shared sibling priority, if a place can only be offered to one child, the waiting list position for the other child will be adjusted to reflect the fact that they are expected to have a sibling in the school or another school which operates shared sibling priority in September 2020.

12. Nearest school

For the normal intake to a school in 2020, the nearest school will be defined as the school closest to the home address with a published admission number for children of the appropriate age-range and which has admitted children without regard to faith or boarding in the initial allocation of places in 2016, 2017 and 2018. Exceptions to this would be:

- where a faith school has changed its admission arrangements and that change has meant that they would be expected to offer places to children who do not demonstrate a commitment to faith in future; and
- where a new school has opened or an existing school has opened a new phase of education since 2016 and that school does not admit all children with regard to faith; and
- some named out of County schools which would not have offered places to Surrey applicants in the initial allocation of places in 2016, 2017 and 2018 and where that school's inclusion in the assessment of nearest school would lead to difficulty in identifying a school for a Surrey resident.

The nearest school may be inside or outside the county boundary. Under this criterion all Surrey community and voluntary controlled schools will be considered, as will most academies and foundation, free, trust and voluntary aided schools. A list of the academies and foundation, free, trust and voluntary aided schools in Surrey and the out of county schools that will NOT be considered in the assessment of nearest school can be seen at APPENDIX 3.

When assessing which school is nearest, distances to Surrey schools will be measured in a straight line from the address point of the child's home address, as set by Ordnance Survey, to the nearest point within each school which is used to measure distance for the purpose of prioritising admissions, as set out in each school's admission arrangements. Where a Surrey school does not use distance to prioritise admissions, the measuring point will be the nearest official school gate for pupils to use. Distances to schools outside of Surrey will be calculated using the postal address coordinates for the school.

Any child remaining on the waiting list after 1 September 2020 will be considered to be an application for in year admission. After this date, when assessing nearest school, all schools with the appropriate year group will be taken in to account.

13. Home address

Within the admission arrangements for community and voluntary controlled schools the child's home address excludes any business, relative's or childminder's address and must be the child's normal place of residence. Where the child is subject to a child arrangements order and that order stipulates that the child will live with one parent/carer more than the other, the address to be used will be the one where the child is expected to live for the majority of the time. For other children, the address to be used will be the address where the child lives the majority of the time. In other cases, where the child spends an equal time between their parents/carers, it will be up to the parent/carers to agree which address to use. Where a child spends their time equally between their parents/carers and they cannot agree on who should make the application, we will accept an application from the parent/carer who is registered for child benefit. If neither parent/carer is registered for child benefit we will accept the application from the parent/carer whose address is registered with the child's current school or nursery.

We will not generally accept a temporary address if the main carer of the child still possesses or rents a property that has previously been used as a home address, nor will we accept a temporary address if we believe it has been used solely or mainly to obtain a school place when an alternative address is still available to that child. All distances will be measured by the computerised Geographical Information System maintained by Surrey's admissions team.

The address to be used for the initial allocation of places to Reception, Year 3 and Year 7 will be the child's address at the closing date for application. Changes of address may be considered in accordance with Surrey's coordinated scheme if there are exceptional reasons behind the change, such as if a family has just moved to the area. The address to be used for waiting lists, after the initial allocation, will be the child's current address. Any offer of a place on the basis of address is conditional upon the child living at the appropriate address on the relevant date. Applicants have a responsibility to notify Surrey County Council of any change of address.

14. Tie breaker and the admission of twins, triplets, other multiple births or siblings born in the same academic year

Unless stipulated otherwise, if within any criterion there are more children than places available, any remaining places will be offered to children who meet the criterion on the basis of proximity of the child's home address to the school, with children living nearest receiving the greater priority. Distance will be measured in a straight line from the address point of the child's home address, as set by Ordnance Survey, to the nearest official school gate for pupils to use. This is calculated using the admissions team's Geographical Information System.

Where two or more children share priority for a place, e.g. where two children live equidistant from a school, Surrey County Council will use random allocation to determine which child should be given priority.

In the case of multiple births, where children have equal priority for a place, Surrey County Council will use random allocation to determine which child should be given priority. If after the allocation one or more places can be offered but there are not sufficient places for all of them, wherever it is logistically possible, each child will be offered a place. Where it is not logistically possible to offer each child a place the child(ren) ranked the highest will retain their offer and the applicant will be advised of

their right of appeal and informed about waiting lists.

15. Waiting lists

Where there are more children than places available, waiting lists will operate for each year group according to the oversubscription criteria for each school without regard to the date the application was received or when a child's name was added to the waiting list.

Waiting lists for each year group at each community and voluntary controlled school will be maintained until 31 July 2021 when they will be cancelled. Applicants who wish a child to go on the waiting list for the 2021/22 academic year must reapply for in-year admission through Surrey County Council. Fully completed applications received during July 2021 will be used to reform the waiting list during August 2021. Applications received after the end of July 2021 will be added to the waiting list as soon as they have been processed.

16. In-year admissions

The following applications will be treated as in-year admissions during 2020/21:

- applications for admission to Reception which are received after 1 September 2020;
- for any school which has a published admission number for Year 3, applications for admission to Year 3 which are received after 1 September 2020;
- applications for admission to Year 7 which are received after 1 September 2020;
- all other applications for admission to Years 1 to 6 and 8 to 11.

Applications for Surrey's community and voluntary controlled schools must be made to the local authority on Surrey's common application form. Where there are more applications than places available, each application will be ranked in accordance with the published oversubscription criteria for each school.

17. Starting school

The community and voluntary controlled infant and primary schools in Surrey have a single intake into Reception. All children whose date of birth falls between 1 September 2015 and 31 August 2016 will be eligible to apply for a full time place in Reception at a Surrey school for September 2020. Applicants can defer their child's entry to Reception until later in the school year, but this will not be agreed beyond the beginning of the term after the child's fifth birthday, nor beyond the beginning of the final term of the academic year for which the offer was made. Applicants may also arrange for their child to start part time until their child reaches statutory school age.

18. The admission of children outside of their chronological year group

Applicants may choose to seek a place outside their child's chronological (correct) year group. Decisions will be made on the basis of the circumstances of each case and what is in the best interests of the child concerned.

- Applicants who are applying for their child to have a decelerated entry to school, i.e. to start later than other children in their chronological age group, should initially apply for a school place in accordance with the deadlines that apply for their child's chronological age. If, in liaison with the

headteacher, the local authority agrees for the child to have a decelerated entry to a community or voluntary controlled school the place cannot be deferred and instead the applicant will be invited to apply again in the following year for the decelerated cohort

- Applicants who are applying for their child to have an accelerated entry to school, i.e. to start earlier than other children in their chronological age group, must initially apply for a school place at the same time that other families are applying for that cohort. If, in liaison with the headteacher, the local authority agrees for the child to have an accelerated entry to a community or voluntary controlled school, the application will be processed. If it is not agreed for the child to have an accelerated entry to a community or voluntary controlled school, the applicant will be invited to apply again in the following year for the correct cohort

Applicants must state clearly why they feel admission to a different year group is in the child's best interest and provide what evidence they have to support this. More information on educating children out of their chronological year group and the process for making such requests is available at www.surreycc.gov.uk/admissions.

19. Nursery admissions

The local authority has delegated the admissions of nursery children to the governing body of community and voluntary controlled schools/nurseries. Applicants wishing to apply for a place must complete the application form and submit it directly to the school or nursery that they wish to apply for in accordance with the dates set by the school.

Community and voluntary controlled infant and primary schools which operate a nursery during term time only, will offer sessions totalling 15 or 30 hours a week, depending on the school and the eligibility of the child. Other community and voluntary controlled infant and primary schools may stretch the offer more flexibly over more than 38 weeks.

Each school will identify which sessions constitute the child's universal entitlement and which are their extended entitlement.

Places for two year olds

Some nurseries might admit two year olds who meet the eligibility criteria to receive Free Early Education for Two year olds (FEET). Where there are more applications than places available, eligible children will be ranked according to the following criteria:

- a) Looked after and previously looked after children
- b) Exceptional social/medical need
- c) Children who will have a sibling attending the nursery or the main school at the time of admission
- d) Any other children

Where any category is oversubscribed, children will be ranked according to the straight line distance that they live from the school with priority being given to children who live closest to the school.

Once such children are placed on roll at a nursery, they will be automatically entitled to take up a three year old place and the number of places available for three year

olds will reduce.

Places for three year olds

All children will be eligible to be considered for admission to a nursery class in a community or voluntary controlled school or nursery in the term after they turn three years old, although admission will be subject to an application being made and places being available.

When a nursery in a community or voluntary controlled infant or primary school is over-subscribed for a three year old place, applications for entry in 2020/2021 will be ranked according to the following criteria, which will be applied in the first instance to children wishing to take up the free early years provision:

- a) Looked after and previously looked after children
- b) Exceptional social/medical need
- c) Children who will have a sibling attending the nursery or the main school at the time of admission
- d) Children who will turn 4 years old between 1 September 2020 to 31 August 2021 (this is to give priority to older children who will be due to transfer to Reception in the next academic year and hence only have one year left to attend nursery)
- e) Children who will be 3 years old between 1 September 2020 to 31 August 2021 (these children will be able to stay on in nursery for another year in 2021/22 as they will not be due to start Reception until September 2022)

Where any category is oversubscribed, children will be ranked according to the straight line distance that they live from the school with priority being given to children who live closest to the school.

Procedures for admission

Each school will endeavour to inform applicants of the outcome of their application by letter, at least one term before admission. A school will only allocate nursery sessions once it has determined that a place can be offered in accordance with the admission criteria. If an applicant is offered a place they must confirm acceptance directly with the school by the date stipulated in their offer letter.

The final decision with regard to admission and the allocation of sessions rests with the governing body of the school.

Where a school is oversubscribed it will maintain a waiting list in criteria order.

Admission to a school's nursery does not guarantee admission to the Reception class at that school. Applications for Reception must be made on a separate application and be submitted by the statutory deadline in order to be considered.

Some schools or nurseries may allow parent/carers to pay for extra nursery provision, beyond their free entitlement. However such requests will only be considered once all applications for the free early year's entitlement have been processed.

In addition to nurseries within some community and voluntary controlled infant and primary schools, Surrey also has four stand-alone Nursery schools, some with attached Children's Centres, in Chertsey, Dorking, Godalming and Guildford. These may provide a mix of full and part time places. Whilst these schools will also follow the admission criteria set out above, under the social and medical need criterion they

may also consider the individual learning need of a child, if it can be demonstrated that no other school can meet the child's learning needs.

20 Providing false or misleading information

If an applicant is found to have supplied false or deliberately misleading information or to have withheld any relevant information, the local authority reserves the right to withdraw any offer of a place, even if the child has already started at the school.

21. Home to school transport

Surrey County Council has a Home to School Transport policy that sets out the circumstances in which children might qualify for free home to school transport.

Generally, transport will only be considered if a child is under 8 years old and is travelling more than two miles or is over 8 years old and travelling more than three miles to the nearest school with a place. Transport will not generally be provided to a school that is further away if a child would have been offered a place at a nearer school had it been named as a preference on the application form, although exceptions may apply to secondary aged children whose families are on a low income if they are travelling to one of their three nearest schools and to children whose nearest school is out of County but over the statutory walking distance.

Eligibility to transport is not linked to the admission criteria of a school. Some schools give priority to children who are attending a feeder school, but attending a feeder school does not confer an automatic right to transport to a linked school. In considering admission criteria and school preferences it is important that applicants also consider the home to school transport policy so they might take account of the likelihood of receiving free transport to their preferred school before making their application.

In considering eligibility for home to school transport, the local authority will take account of all state funded schools, including free schools and academies. Applicants should note that the opening of a new school or the permanent relocation of an existing school might change which school is assessed to be the nearest to an address when compared to assessments made in previous years. If for any reason a school educates children on a temporary site, the assessment of nearest school for the purpose of home to school transport eligibility will disregard the temporary site and will instead use the intended permanent site of the school or, if that has not yet been determined, the current main site of the school. Where a school is operating on a temporary site and that school's permanent/current site is deemed to be a child's nearest qualifying school, the home to school walking distance will be measured to the school's temporary site to determine if the child lives over the statutory walking distance and is eligible for transport assistance. Eligibility will be reassessed at the point a child ceases to be educated at the temporary site.
