

Community and Voluntary Controlled schools and whether a change is proposed to admission criteria for 2022

ENCLOSURE 5

Category 1 - Schools which allocated to all children who had applied in each of the past three years (2018, 2019 & 2020)
Category 2 - Schools which allocated places to the 'distance' criterion and the furthest distance allocated was FURTHER than the last child allocated under the 'nearest school' criterion in each of the past three years (2018, 2019 & 2020)
Category 3 - Schools which only allocated places to the 'nearest school' criterion and there were no children left unplaced under the 'distance' criterion who lived closer than the furthest distance allocated under the 'nearest school' criterion in each of the past three years (2018, 2019 & 2020)
Category 4 - Schools which experienced a combination of the scenarios set out in categories 1, 2 and/or 3 in each of the past three years (2018, 2019 & 2020)
Category 5 - Schools which allocated places to the 'distance' criterion and the furthest distance allocated was FURTHER than the last child allocated under the 'nearest school' criterion in TWO of the past three years
Category 6 - Schools which only allocated places to the 'nearest school' criterion and there were no children left unplaced under the 'distance' criterion who lived closer than the furthest distance allocated under the 'nearest school' criterion in TWO of the past three years
Category 7 - Schools which allocated places to the 'distance' criterion and the furthest distance allocated was NEARER than the last child allocated under the 'nearest school' criterion in TWO of the past three years
Category 8 - Schools which only allocated places to the 'nearest school' criterion and there were children left unplaced under the 'distance' criterion who lived closer than the furthest distance allocated under the 'nearest school' criterion in TWO of the past three years
Category 9 - Schools which allocated places to the 'distance' criterion and the furthest distance allocated was nearer than the last child allocated under the 'nearest school' criterion in each of the past three years (2018, 2019 & 2020)
Category 10 - Schools which only allocated places to the 'nearest school' criterion and there were children left unplaced under the 'distance' criterion who lived closer than the furthest distance allocated under the 'nearest school' criterion in each of the past three years
Category 11 - Schools which experienced a combination of scenarios where no regular pattern exists
