

Statutory Notice

Brooklands School Expansion

Notice is given in accordance with section 19(1) of the Education and Inspections Act 2006, as amended by the Education Act 2011, that Surrey County Council intends to make a prescribed alteration to Brooklands School, Wray Park Road, Reigate, Surrey, RH2 0DF from 1 September 2020.

It is proposed to expand Brooklands School by 70 places to become a split-site primary special school. The school will expand from an 83 place primary special school to a 153 place primary special school over two sites: the existing site on Wray Park Road and a new proposed site on Alexander Road. The additional places will cater for children with needs associated with Autism Spectrum Disorder (ASD) and the number of pupils at the school will increase incrementally from September 2020.

A building project will be undertaken on the existing site to provide necessary additional capacity, for which the relevant planning permission will be sought. Refurbishment work will also take place at the new site on Alexander Road to make the building suitable for use.

This proposal will not alter the school's admissions arrangements and will not affect the statutory entitlement to transport assistance.

Surrey County Council has complied with all applicable statutory requirements to consult in connection with this proposal. At the conclusion of the Notice period, if permission is granted by the Surrey Cabinet Member for All Age Learning, Surrey County Council will implement the proposal.
