Alteration description

4. A description of the proposed alteration and, in the case of special school proposals, a description of the current special needs provision.

The proposed alteration is to lower the age range of Stamford Green Primary School from 4 to 11 years old to 2 to 11 years old

Surrey County Council and Stamford Green Primary School propose to change the current nursery provision to become a nursery that is under the same registration as the school and continues to provide a secure, stimulating, quality nursery provision for children in the local area. The nursery is currently meeting a need identified through the Surrey County Council Childcare Sufficiency assessment and will continue to do so under this proposal.

School capacity

5. (1)

(a) details of the current capacity of the school and, where the proposals will alter the capacity of the school, the proposed capacity of the school after the alteration;

The current Published Admission Number (PAN) for Stamford Green Primary School is 90 in reception year. The capacity in the school from reception year to year 6 is not impacted by this consultation. The total school capacity will increase to include the nursery provision. A nursery is already onsite at the school so this consultation does not increase the numbers of children onsite but changes the registration of the nursery pupils and the age range of the school.

There are currently 39 full-time (30 hours) and part-time (15 hours) for 3 to 4 year olds and 4 full-time places for 2 year olds offered at the current nursery at Stamford Green Primary. There is no change to how parents apply for a nursery place and information can be found on the school's website www.stamford-

green.surrey.sch.uk Children who currently attend the nursery at Stamford Green will continue to attend the same setting with the same staff and do not need to reapply for a place under the new registration.

There is no automatic right for nursery aged children to gain a reception place at the school. The admissions criteria for community and voluntary controlled schools, along with other individual schools admissions criteria, in Surrey are published each year in the [schools admissions booklets](#). Stamford Green Primary School can be found in the Primary School Booklet for Epsom and Ewell primary schools.

Parents of children applying for a reception place would need to apply in the normal way for admission to the primary school whether their child attends the nursery provision or not.

Objectives

10. The objectives of the proposals.

The nursery at Stamford Green Primary School was initially set up under section 27 of the Education Act 2002 which allows schools to open and establish a nursery as a separate community provision. As the nursery is now an integral part of the community, by lowering the school age the nursery children become pupils of the school and supports more efficient governance and operational functions. This continues to support the government's policy on providing 15 and 30 hours Funded Early Education for 2, 3 and 4 year olds in schools.

Consultation

unions; local residents; other users of the school building; other local schools; local borough and county councillors; and the School Admissions Forum.

These are the same hours currently offered at the existing nursery at Stamford Green Primary School.

- (b) how the school will integrate the early years provision with childcare services and how the proposals are consistent with the integration of early years provision for childcare;

Lowering the school age to incorporate the current nursery provision as part of the maintained school, will enable the school to build on and strengthen the arrangements already in place and provide a joined up approach to achieving our vision for all children from 2 to 11 years old. As nursery children will be on roll as part of the whole school, the systems and processes will be streamlined, enabling the school to deploy our resources across the nursery and school to ensure that every child realises their potential.

The present nursery is currently meeting a need identified through the Surrey County Council Childcare Sufficiency assessment and will continue to do so under this proposal

- (c) evidence of parental demand for additional provision of early years provision;
