

Motto

‘Making every day count’

**Our Federation of two special schools has an ambitious**

## **Vision**

**Everything we do, from our longer-term development strategy to day-to-day activities, is developed and evaluated against this vision**

Our schools are outstanding

Our learners are calm and confident and ALL reach their potential

Our staff are exceptional and ALL feel valued and supported

Our schools are well resourced, safe, enriching and stimulating environments

Our schools benefit from strong links and positive relationships with everyone in the school communities

Our schools have the knowledge, experience and confidence to influence local and national policy and strategy

Our vision is implemented by the whole school community, guided by skilled and focussed leaders and facilitated by a secure financial position

# Values

**Our values are our key central beliefs; we expect them to be upheld and promoted by every member of our school communities to support a culture for growth, creativity, expression and learning:**

Responsibility    Friendship

Happiness    Honesty

Care    Respect

Love    Confidence

Cooperation    Belonging

Thoughtfulness    Patience
