

Consultation outcomes on the proposal to open a specialist centre at Worplesdon Primary School

A total of five responses were received during the consultation period which closed on Friday 19 July 2019. All five responses agreed with the proposal.

During the consultation period a public meeting was held at the school on Thursday 11 July 2019. A total of 5 people attended this meeting.

As a result of the consultation process it has been decided to proceed with the proposals and the statutory notice will be issued on Monday 23 September 2019. This will give a further 4 week period for interested parties to make representations.

Following this period it is planned that a paper detailing the proposal and consultation outcomes will be presented to the Cabinet Member for All Age Learning in November for a decision.
