Objectives

10. The objectives of the proposals.

The proposal to expand the school is in response to the local demand for primary school places. It forms part of a borough wide expansion programme to provide a sufficiency of school places.

There is ongoing demand for places in the local area, demonstrated by several years of demand and extra classes. There is a need to meet both future demand for infant places but also to cope with the additional places that have been added in infant schools as they pass into Key Stage 2.

The proposal to provide additional infant places at Stoughton Infant School is in conjunction with a proposal to expand Worplesdon Primary School at Key Stage 2 only.

The increase in places at Stoughton Infant School will reduce the number of Year 3 places available for Wood Street Infant children at Northmead Junior School. The proposal to expand Worplesdon is therefore intended to provide a clear and secure route through to Key Stage 2 for all children attending Wood Street Infant School.
