

**Statutory Notice**  
**Worplesdon Primary School, Envis Way, Guildford, Surrey,**  
**GU3 3NL**

Notice is given in accordance with section 19(1) of the Education and Inspections Act 2006 that Surrey County Council intends to make a prescribed alteration to Worplesdon Primary School, Envis Way, Guildford, Surrey, GU3 3NL

It is proposed that the school remains a two form entry (2FE) primary school at Reception and Key Stage 1, but expands to three form entry (3FE) at Key Stage 2. The school would admit 30 pupils at Year 3 who would join children already attending the school when they move up from Year 2 to Year 3. The total capacity of the school would be permanently increased from 420 to 540.

The proposed changes will take effect from September 2016. Worplesdon Primary School, which currently has accommodation for up to 420 pupils, will be expanded to provide accommodation for up to 540 pupils. A building project will extend the main school hall and new classrooms will be constructed near the existing school footprint making maximum possible provision for outdoor play space. The additional form of entry at Year 3 will be admitted in September 2016, and for the three following years, with the school reaching full capacity in 2019.

The school currently has capacity for 420 pupils. The proposal will increase capacity permanently to 540 pupils. The published admissions number (PAN) for Year R will remain at 60 places. A published admissions number of 30 places at Year 3 will be introduced from September 2016.

All applicable statutory requirements to consult in connection with the proposals have been complied with. Surrey County Council will implement the proposal.

The proposal to expand the school is in response to the local demand for primary school places. It forms part of a borough wide expansion programme to provide a sufficiency of school places.

The transport arrangements for the schools will be in accordance with Surrey County Council's current school transport policy.
