## Part B - Job Family Description

The below profile describes the general nature of work performed at this level as set out in the job family. It is not intended to be a detailed list of all duties and responsibilities which may be required. The role will be further defined by annual objectives, which will be developed with the role holder. The Council reserves the right to review and amend the job families on a regular basis.

<b>Role Purpose</b> including key outputs	The Principal Commissioning Manager - Design will lead on Innovation and Commissioning design across CSF Commissioning. This role will lead on Portfolio Management of all CSF Commissioning activity and related change activity. Manage the creation of innovative and radical offers and new approaches to impact outcomes for Children, Young People and Families. The post holder will identify good practice and lead on securing alternative funding opportunities including social impact bonds and other social investment opportunities.
<b>Work Context</b>	The Insight and Innovation team works with Market Strategy and Quality and Experience staff creating the commissioning function within the Children's Schools and Families directorate. The functions of the team focus on looking at the impact and effectiveness our services are currently having: both within SCC and those we have procured based on performance information. This team is a driver for change and looking at new models and approaches for commissioning maximising partnership working and looking at new social investment or other funding opportunities. The team is responsible for reviewing the impact of commissioning decisions taken to ensure there is clarity on the consequences of the decisions on children young people and families
<b>Line management responsibility</b> if applicable	Will have line management responsibility for 4 direct reports with responsibility for a wider team.
<b>Budget responsibility</b> if applicable	Will have a influence on a budget of up to 1m

<p><b>Role Summary</b></p>	<p>Roles at this level are substantial management roles, they are either managing a multi functional support service within one of the Council's service areas, or coordinating a specific business development or advisory area. This may involve significant coordination of complex or diverse services, e.g. leading business support services to professional teams, or coordinating teams carrying out specialist advisory or administrative services. More specialised roles will require a full understanding of a professional or specialised field and will work with those both inside and outside the organisation, to influence the development of services or delivery of specific projects or council objectives. Their work includes developing and implementing operational plans and contributing to the longer term plans for the area in line with council strategy. They will provide overall guidance to more junior managers in terms of planning, service standards and resources which underpin service level agreements. They work closely with customers, staff, agencies and/or contractors to ensure that the services meet and exceed expectations. Roles at this level require extensive management experience and high level expertise. They exercise a significant degree of flexibility and independence for decision making within their particular functional area, working to broad parameters and policy guidance. Roles at this level are accountable for the professionalism of service delivery under their remit.</p>
