

Statement of Reasons

Fir Tree Road, Banstead 'No U-turn' restriction

It is proposed to change the existing 'No Right Turn' restriction on the A2022 Fir Tree Road, Banstead Eastbound carriageway, in the vicinity of the junction with Warren Road to a 'No U-turn' restriction.

1. This proposal has arisen due to residents concerns of vehicles performing a U turn manoeuvre once they pass the central reservation for the junction with the A240 Reigate Road. The current 'No right turn' restriction has been found to be no longer fit for purpose, and so the Highway Operations & Commissioning Manager, under delegated authority, has agreed that the restriction should be altered to be a 'No U-turn' restriction.
2. This proposal will allow the enforcement by the local police to prevent vehicles from performing this dangerous manoeuvre at this location, reducing the risk of vehicle collisions.
