

**Surrey County Council**  
**Waiting Restrictions in Brox Road, Ottershaw**

Double yellow lines added to new bellmouth access to serve 186 dwellings.

The combined Stage 1 and 2 RSA recommended that parking restrictions in the form of double yellow lines are provided in the vicinity of the bellmouth radii and for an appropriate length along the eastern Brox Road channel line, to deter inappropriate parking in the vicinity of the vehicular access and to provide visibility for and of drivers at the vehicular access.
