PROPOSED SPEED LIMIT REDUCTION

**STATEMENT OF REASONS FOR PROPOSING
TO MAKE THE SPEED LIMIT ORDER**

The council have been made aware of a number of accidents/collisions on The Maultway, Red Road and Lightwater Road, therefore, the council is proposing this speed limit reduction to promote a safer travel.

B3015 The Maultway, Camberley

Since January 2019, there have been 13 accidents/collisions, resulting in 17 people being injured, four seriously. The Road Safety Working Group agreed that reducing the speed limit would contribute to reducing the number of accidents/collisions, especially those resulting in serious injury.

B311 Red Road and C4 Lightwater Road, Lightwater

Since January 2019, there have been 23 accidents/collisions, resulting in 38 people being injured, 12 seriously and two people being killed. The Road Safety Working Group agreed that reducing the speed limit would contribute to reducing the number of accidents/collisions, especially those resulting in serious and fatal injury.

Additionally, there is local concern over vehicle speeds in Lightwater Road. There are a number of side road junctions leading to residential estates.
