

D184 KNOWLE LANE, CRANLEIGH

PROPOSED SPEED LIMIT REDUCTION

STATEMENT OF REASONS FOR PROPOSING
TO MAKE THE SPEED LIMIT ORDER

The council were made aware of concerns about vehicle speeds and road safety when pedestrians cross Knowle Lane between Snoxhall Fields and Knowle Park and as a result the council intend to extend the 30 mph speed limit by 136m south along Knowle Lane.

Speed limits can help to reduce accidents and improve safety for all road users. It has been shown that the slower a vehicle is travelling then the less likelihood there is of a serious or fatal injury occurring. It is expected that by reducing the existing 40mph speed limit to 30mph that this will contribute to improving road safety and improving the environment in the vicinity.
