

## **Parking Restriction Amendment Proposals**

### **A22 Godstone Road, Whyteleafe**

#### **Statement of Reasons**

Parking restrictions are proposed in A22 Godstone Road, Whyteleafe, at the junction of Hillside Road and extending southwards, to maintain visibility for pedestrians wishing to use a proposed pedestrian refuge to access local bus stops and provide a crossing opportunity along this length of road. The restrictions will also ensure that the carriageway and footways remain free from obstruction for vehicles passing the refuge and for pedestrians wishing to access the crossing point.
