

Hatchlands Primary School, Hatchlands Road, Redhill, RH1 6BL
Statement of Reasons for Proposing to Make the Traffic Regulation Order for
Public Notice

Hatchlands Primary School has secured planning permission for the demolition of the former Redhill County and Magistrates Court and the erection of a 2-form-entry primary school building, associated landscaping, car parking and servicing areas to accommodate an increase to 420 pupil numbers.

The signalised pedestrian crossing is to be provided outside the school access on Hatchlands Road (A25), 35 metres south of its Brownlow Road junction. The implementation of the signalised pedestrian crossing is to facilitate a safe crossing provision for people accessing the new enlarged school. The introduction of the signalised pedestrian crossing on Hatchlands Road (A25) has been assessed and agreed with Surrey Police and reflects Surrey County Councils Road Safety Audit team and Passenger Transport Services considerations.
