CHANGES TO LOCAL BUS SERVICES – INFORMATION FOR PASSENGERS

Where can I find out what changes are being made to my local bus service?

West Surrey

Pages 4 - 8

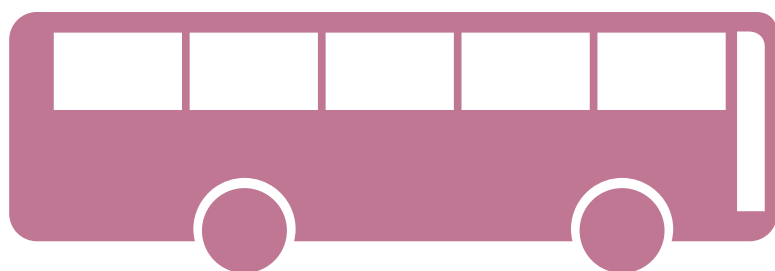

East Surrey

Pages 9 - 14

Please note: if your bus service is not included in this leaflet, no changes are being planned by Surrey County Council, or have been notified to the council by a bus operator, at the time of going to print. To check for any later updates, please visit surreycc.gov.uk/buses.

When will the changes be introduced?

The changes in this leaflet will be introduced from Saturday 3 and Sunday 4 September 2016.

Where and when will new timetables be available?

During August, new timetables will be available:

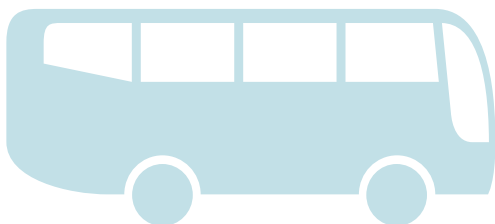

- Online on the bus operator websites (see back cover) and via their own timetable publications
- Online at surreycc.gov.uk/buses and traveline.info/se
- By calling Traveline on 0871 200 2233 (Calls cost 12p per minute plus your phone company's access charge).
- In Surrey County Council's Bus Guide booklets, available from libraries, local council offices and other usual outlets (from late August)
- At bus stops (from late August)

Why are changes being made to local bus services?

These changes are being made as part of the second phase of Surrey County Council's local transport review, in order to make sure the bus services that are used the most can keep running in the face of huge funding pressures.

In making changes, the Council has considered feedback from more than 2,600 residents and stakeholders who earlier this year took part in a public consultation on proposed changes to services. Some of the original proposals have been modified for the better, as we have listened and acted where there were strong local concerns. Some of the changes also mean making improvements to services.

This leaflet also includes a summary of some other bus service changes that operators are planning to introduce. These were not part of the Council's local transport review as the majority of these are not funded by the council, or have been decided by the operator.

WEST SURREY

Changes to the following services will be introduced from 4 September 2016

11 (Stagecoach) Farnborough-Mytchett-Frimley Green-Deepcut-Camberley-Frimley Park Hospital-Ansell Road-Paddock Hill Estate
