SURREY COUNTY COUNCIL in exercise of their power under Section 23 of the Road Traffic Regulation Act 1984 and Section 90(A) to (I) inclusive of the Highways Act 1980, and after consultation with the Chief Officer of Police in accordance with Section 23(2)(A) of the said Act 1984 propose to introduce a series of traffic calming features and to upgrade the existing signal-controlled pedestrian facility to a raised Pedex Crossing in Mustard Mill Road (D6362) Staines-upon-Thames.

1. A flat-topped road table, which will extend across the full width of the carriageway, the centre line of which will be at a point 0.6m south-west of the centre line of the existing Pedex Crossing situated at, or adjacent to, the Two Rivers Shopping Centre Footbridge (Identifier: 03487185). This would have the effect of repositioning the current zig-zag markings associated with the Pedex Crossing by 2.4m in both south-west and north-east direction; the road table will be 9.55m in length, 75mm in height, with 1.5m ramps at a gradient of 1 in 20;
2. A flat-topped road table, which will extend across the full width of the carriageway, the centre line of which will be at a point 18m south-east of Lamp Column N15; the road table will be 7.50m in length, 75mm in height, with 1.5m ramps at a gradient of 1 in 20;
3. A tapered edge road table, the centre line of which will be at a point 6m south-east of Lamp Column N6; the road table will be 7.20m in length, 65mm in height, and will be 6.2m in width, with 1.3m ramps at a gradient of 1 in 20.
