

Surrey County Council
Amendments to Parking and Waiting Restrictions
and Permit Parking in the Borough of Runnymede – High Street, Addlestone

Description of works - Demolition of 12no existing flats at 10-22 High Street, Addlestone; and the construction of 26no replacement flats over 4no floors, with associated car-parking, refuse and cycle storage.

The TRO is for a loading bay on High Street. High Street, Addlestone is normally very busy and backs up from the traffic lights. The loading bay is needed to minimise disruption.
