

Proposed 'Signalised' (Pedex) Crossing – A3050 Hurst Road nr. to Rosemary Avenue

Statement of Reasons

This proposal is to replace the existing uncontrolled pedestrian refuge island crossing on Hurst Road near to Rosemary Avenue with a controlled signalised crossing.

For some time, parents have been raising concerns about safety when crossing Hurst Road to access Hurst Park Primary School. A comprehensive assessment of safety was undertaken in 2023, and a Signal Controlled Crossing was recommended as part of our Road Safety Outside Schools Programme.

Reasoning

To increase the safety of children and families crossing Hurst Road and to encourage more pupils and families to walk, cycle and wheel to school.

The above proposal will be advertised in the local press (The Surrey Advertiser) County and Borough Councillors, Stakeholders and the Police will be consulted.
