

**The Surrey County Council
Renfree Way (B375) Shepperton
(30 mph Speed Limit and Amendment) Order 202-
Statement of Reasons**

The current 50mph speed limit in Renfree Way applies up to the roundabout give way line.

Some eastbound vehicles are approaching the roundabout too fast or braking too late. This is resulting in eastbound vehicles failing to give way at the roundabout. Additionally, in May 2020, a vehicle travelling eastbound, failed to slow, lost control, collided with the roundabout and crashed into the garden of a property near the roundabout.

It is proposed that the change in speed limit from 50mph to 30mph is relocated away from the roundabout, giving eastbound drivers more opportunity to slow down on the approach to the roundabout.
