

TRO - Aurora Chaldon Rise SEN School

Change of speed limit each side of the property from 50mph to 40mph. Installation of school keep clear and double yellow line markings. Installation of school warning sign with flashing amber lights.

Description of the location and length of the restriction

The speed limit each side of the property from 50mph to 40mph starts at the intersection between Rockshaw Road and Warwick Wold Road and continues along Rockshaw Road for approximately 430 metres.

Statement of reasons

The TRO works are required in the interest of road safety and in the context of the SEN school development.
