

**Proposed full-width raised table (traffic calming) – Staines Road,
Laleham/Staines
Statement of Reasons**

In the interests of road safety/vehicle speed reduction and in order to improve road safety for pedestrians walking and cycling (including children to/from nearby schools including Buckland Primary School), it is proposed to introduce a raised table in conjunction with a series of further highway improvement measures on the B376 Staines Road, Staines upon Thames, north of the roundabout junction with Worple Road.

At the Spelthorne Joint Committee meeting held on 23 March 2020, the Committee approved all three phases of this project relating to Buckland Primary School, including these improvements on Staines Road.
