

**Surrey County Council**  
**Waiting Restrictions in Waterhouse Lane, Kingswood**  
**in the Borough of Reigate and Banstead**

The proposed double yellow parking restrictions start just north of the southern boundary of the property known as Thirlmere House. The double yellow line restrictions will be on both sides of the carriageway and will extend north for a distance of approximately 75.3 metres including the junction of Waterhouse Lane with Brighton Road on both sides of the carriageway.

Conversion of a property from a dwelling house to a church will lead to an increase in vehicle movements. This means that the current access needs to have parking restrictions to retain the current sight lines of 35.1 metres that are commensurate with the speed of traffic.
