

Main Drawing - Whyteleafe Road Traffic Calming
[Scale - 1:500]

Inset Panel 2
[Scale - 1:500]

Inset Panel 1 - Proposed Speed Cushion Setting Out
[Scale - 1:250]

Notes

1. All dimensions are to be checked onsite before any work commences. All dimensions are in metres unless stated otherwise.
2. Any discrepancies should be reported to the architect and/or engineer immediately, so that clarification can be sought prior to commencement of works.
3. This drawing should be read in conjunction with all other relevant architect and engineering details, drawings and specification.
4. All works to be in accordance with the Surrey County Council Standard Detail Drawings and the Specification for Highway Works.
5. It is the responsibility of the main contractor to undertake traffic management in accordance with Chapter 8 of the Traffic Signs Manual. The main contractor is to agree traffic management for the contract with SCC Highway Department prior to commencement of works.
6. The contractor is to complete the Section 278 Works within the existing highway boundary. There is no agreement with adjacent landowners for use of their property.
7. On completion the contractor is required to carry out an as-built survey of the completed highway works.
8. For construction details please refer to drawing 2007043-SK-07
